Corn Futures Fixed Contract Fee Schedule

Bushmills will charge a fee for **new** Futures Fixed contracts (FF contracts) effective 6/02/09. The fee will be \$0.06 per bushel and will be deducted from the futures price established at the time of the contract. Contracts may be rolled forward multiple times within the crop year at no charge. FF contracts may be rolled backwards once at no charge, but the delivery period must be selected and the basis set at the time the roll is executed. Please call Don Carlson with any questions (888) 287-4645.
